Help & FAQs

Earning points, discounted flights and offers

How to earn points?

With your flights

To be sure of being credited with your points, make sure that anyone authorised to book flights on behalf of your company always remember to indicate your member number when booking.

Using your CIP Credit Cards

Use your cards for your corporate expenses and collect more points. Depending on the type of card, the amount and the kind of payment, the number of points that you can earn will vary.

Gaining extra points

During the year, different promotions are available that will offer you extra points. Particular destinations or routes, specific dates for the flights or the use of credit cards will offer you bonus points to your account.

Promotions, Offers and Discounts

Promotions and discounts

Your eligible spend gives you credits that you can exchange for gifts: Depending on your tier, the amount of spend for each credit varies, but you will have always access to the following gifts:

- Upgrade to a higher class
- Silver FPP card
- Discount vouchers
